

Pricelist 2021

Facial Skin Treatments SKIN LAB | ESSEL | KALAHARI

Advanced Facial Treatments are customized to target specific needs with the help of advanced skincare products + latest non-invasive technology that will help decongest your pores, brighten your skin complexion, smooth fine lines and wrinkles and leave your skin feeling hydrated and refreshed.

Vitamin Infusion | Revitalisation | Deep Cleanse **R550 | 75min**

DERMAPLANING

Dermaplaning is a simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellus hair (peach fuzz). The exfoliation allows for cell renewal and also allows for better penetration of home & professional skincare products, optimizing their results. It is most often used on clients with rough, dry skin, superficial hyperpigmentation, mild acne scarring, or fine lines and wrinkles.

Dermaplane Skin Treatment **R680 | 75min**
Add to your skin treatment for enhanced results **R150 | 15min**

PLASMA SHOWER

Plasma Shower or cold plasma is a quick, pleasant treatment suitable for men and women of all ages. There is no discomfort or recovery period – you can resume your normal daily routine immediately. "Plasma shower" generates tri-oxygen which kills 99% of acne bacteria, accelerates skin healing, fades pigmentation & revitalises skin.

Monthly Maintenance Treatment **R1200**
Course of 3 sessions over 2 Months **R2800**

THREAD VEIN/SKIN LESION REMOVAL

Thermocoagulation is the treatment or removal of unwanted skin imperfections or anomalies. Based on radio wave and high frequency technology, the machine works on the principal of liquids being attracted to heat, released by various sized and shaped probes for the treatment of all types of different lesions.

Vascular / Skin Lesions without Numbing **From R400**
Lesions with Numbing **From R550**

BB GLOW TREATMENT

BB Glow is one of the latest anti-aging beauty innovations from South Korea that has taken the world by storm. BB Glow is a tinted serum for your face applied with the nano needling technique with added benefits such as skin brightening, skin whitening, and wrinkle improvement. The results are visible wrinkle improvement, even skin tone, and glow all at the same time.

Monthly Maintenance Treatment **R980 | 90 min**
Course of 3 sessions over 1 Month **R2650**

HYALURON PEN PRO

The Hyaluron Pen Pro is a simplistic device that generates enough pressure to insert a highly concentrated Hyaluron Acid cocktail into the skin using no needles. It's perfect for advanced anti-aging & plumping the skin, whether it be for enhancing the volume or contour of lips or to diminishing fine lines and wrinkles.

1ml of Cross-linked Hyaluronic Acid **R1550**
2ml of Cross-linked Hyaluronic Acid **R2200**

TREATMENT PACKAGE:

1ml/session for 3 sessions over 6 weeks (2 weekly) **R3500**
